## WELCOME TO PAMIR GEO-TECHNICAL SERVICES COMPANY

Pamiir Geotechnical Services Company has been completing large-scale and valuable projects throughout Afghanistan since its inception and with using more than a decade of experience and having an expert workforce and utilizing laboratory equipment of international standards, the science of geotechnics has led to practical realities. With more than 200 successful projects, the company strives to satisfy employers and effort to develop and prosper. Pamiir Geotechnical Services provides a wide range of geotechnical, mining, geophysical, hydrological and engineering survey services. Our geotechnical advice includes dams, tunnels, slope stability, roads and highways, and tower research. Pamiir is also able to lead the exploration project in the mine, including metal mines and non-metallic mine deposits.
